1. On 21 January 1960 forty representatives met <sup>with</sup>  
with representatives of the Office of Special Investigations, DOJ (OSI)  
<sup>discussed in this</sup>  
on the subject, ~~discussed in this memorandum and OSC~~ —.  
  
This memorandum concerns discussions held on the subject  
of OSI's request for CIA to perform name checks on  
250 individuals who are subjects of OSI investigations.  
  
During the meeting were: Whaley ✓ Zuckerman, <sup>Director</sup> OSI;  
Ryan and Anne Sims, D/~~Director~~ <sup>Director</sup> OSI;  
  
E I and E I Director of Operations;  
  
E I, Office of Security, and ~~the~~ <sup>Director</sup>, OGC.  
Both Mr. Evans and Mr. Whaley were present.  
  
2. Prior to this meeting I was received by telephone  
calls from Mr. Sims informing <sup>us</sup> ~~me~~ <sup>that OSI was about to</sup> ~~about to~~  
request the name checks on some 250 individuals and enjoining me to  
keep the matter <sup>secret</sup>.  
At that time I informed Mr. Sims that although the Agency  
was prepared to assist OSI in its efforts, I saw some  
initial problems with this request. First, that CIA was

prohibited to from disseminating law-publicly available information  
on US persons, except in limited circumstances. The only  
appropriate circumstance in this case would appear to be dissemination  
to a law enforcement agency so information concerning the initiation  
of law by an individual. Secondly, CIA could have negative  
a statement from OSI that not name their projects were, in fact,  
subjects of an investigation by OSI. Mr. Sims' need to <sup>sign</sup> ~~see~~  
such a statement. Second, I saw a potential problem in timely processing  
such a massive request and suggested that we meet to discuss how  
problem is more detail. ~~see~~ The date for the meeting has  
not yet, pending the resolution of Mr. Sims' concerns with  
the Office of Security. Mr. Sims' concerns were addressed,  
and a meeting was set for 21 February.

3. The meeting began with a statement by Mr. Sims that 905  
200 names were <sup>wanted</sup> included in his 28-96055, ~~not~~, <sup>not</sup> been his  
projects of investigation - so that he had included a statement
